

## **Manning Lighting**

### **Job Title: CNC Machinist**

#### **Full Time**

#### **Job Description:**

We are seeking a skilled CNC Machinist to join our dynamic manufacturing team. The ideal candidate will have experience operating and maintaining a variety of machine tools to produce parts according to specifications. You will be responsible for reading blueprints, setting up machines, and ensuring high-quality output. This is an excellent opportunity for someone with a strong mechanical aptitude and a desire to work in a dynamic environment.

#### **Key Responsibilities:**

- Set up and operate CNC milling machine.
- Operate lathes, mills, and drill presses.
- Read and interpret blueprints, technical drawings, and CAD/CAM programs.
- Perform quality checks on finished products using precision measuring tools.
- Troubleshoot and resolve issues with machines and tooling as needed.
- Conduct routine maintenance and repairs on CNC equipment.
- Collaborate with engineers and production staff.
- Ensure compliance with safety standards and company policies.

#### **Required Skills:**

- Proficient in operating CNC machines.
- Strong understanding of G-code programming.
- Knowledge of machining processes and tooling.
- Ability to read and interpret technical drawings and specifications.
- Proficient in using precision measuring instruments (calipers, micrometers, gauges).
- Strong problem-solving skills and attention to detail.
- Ability to work independently and as part of a team.
- Good communication skills and a commitment to quality workmanship.
- Experience with CAD/CAM software is a plus (e.g., Mastercam, SolidWorks).

#### **Qualifications:**

- High school diploma or equivalent; technical degree or certification in CNC machining is preferred.

- Minimum 2 years of experience in CNC machining or related field.
- Familiarity with CNC programming languages and machining techniques.
- Knowledge of safety regulations and practices in a manufacturing environment.
- Lifting: Usually less than 20 pounds, occasionally lifting greater than 40 pounds assisted.

**Benefits:**

- Competitive salary and benefits package.
- A collaborative and supportive work environment.
