SPECIFICATION CHANGES

Every effort is made to indicate exact product specification in catalog, however, Manning Lighting, Inc. cannot be liable for catalog errors or specification changes, should they become necessary.

DELIVERY

Every attempt will be made to schedule realistic shipping dates, however, due to the special nature of our products, production delays may occur. Manning Lighting, Inc. will not be responsible for any penalties, damages or charges due to late shipment.

SPECIFICATIONS

The right is reserved to change specifications without notice and without liability with respect to previous sales.

BREAKAGE OR DAMAGE IN SHIPMENT

The responsibility of Manning Lighting, Inc. ceases upon delivery of shipment to carrier. Though we cannot be responsible for collection of claims, we will cooperate in assisting the settling of claims or tracing shipments. To avoid difficulty we suggest that on shipments direct to customer, instructions be issued to the person receiving shipment that the delivering carriers bill of lading be signed "subject to concealed damage". If breakage is discovered upon opening at a later date, notify the delivering carrier immediately for an adjuster to inspect damage for reimbursement. Claims will be honored only if inspection is requested within 15 days after delivery of shipment. When replacement is needed, notify us, giving the fixture number and a description of parts needed. We will, upon shipment, invoice you for these replacements so that this invoice can be filed with the transport company for payment.
